

**Stadium Completion Nears**

Serra High School in Gardena will soon have their football stadium completed according to Rev. Father Don Bracht, S.M., school principal. Dedication of the new field is slated for September 25 at Serra's opening game with Pius X High. Many church and civic dignitaries will be present.

Softball league games next week (final games). Monday, August 16, at Torrance Park; Longren Aeris vs Dow Styron; Marine Clerks vs Pre-Cast Con. Pr. Wednesday at Torrance Park; Walteria B.M.C. vs Harbor Hornets.

MONUMENTS ARE the grappling iron that bind one generation to another.—Joubert.

**Top Drill Team In Korea Lists Torrance Man**

Sgt. Alan D. Moore of Torrance, was a member of his company's drill team which recently won the 3rd Infantry Division's 7th Regimental championship in Korea.

Sergeant Moore, whose wife, Margorie, lives at 20808 Harvard boulevard, and other members of Company B put on a demonstration of precision marching and crack manipulation of weapons to copy the regiment's championship.

Sergeant Moore, son of Mrs. Rhoda Moore, 2145 245th street, Lomita, entered the Army in October 1952 and arrived in Korea during July 1953. He is a section leader in Company B.

**North Torrance Beats Crenshaw**

Last Friday night McMaster Park resembled Hollywood Racetrack with North Torrance racing around the diamond to outdistance Crenshaw School by a score of 13-1. Errors counted greatly against Crenshaw's loss.

The McMaster Cadets had to battle all the way down the stretch to finally outdistance Perry 5 to 1.

The Southern Division of the Pee Wee League is in full swing. A champion from the North and South will be decided at the end of August to compete for the City championship.

An all star team has been picked from the Northern League to compete in the Southern California Pee Wee tournament which is to be held in Bellflower August 16 through 20.

THE SECRET of success is constancy of purpose.—Disraeli.

**FORD JINGLE WINS PRIZES FOR COUPLE**

One of the most excited people in Torrance Wednesday night was Mrs. Raymond Rice of 1220 Kornblum, when they called her to appear on the Oscar Maples-TV program in Hollywood to receive the prizes she and her husband had won on the jingle contest.

Prizes awarded the Rice family were \$50 cash, 10 gallons of gas, a five day all expense trip to hotel Last Frontier in Las Vegas, and bathing suits from Sam Levy's department store. Mrs. Rice thought she'd choose the Catalina suit worn by Miss Torrance.

The Ford they bought is a new aqua color "Country Squire," which will take them in style to Las Vegas, with plenty of room for the excited trio of Rice youngsters, Gary 12, Sheryl 11, and Sandra 4. Gary is a carrier for the Press in the Torrance Gardens and Plaza district.

**A radio powered by sunlight.** Man's centuries-old dream of getting power directly from the sun has come true at last. Bell Telephone Laboratories has built a solar battery that directly and efficiently turns sunlight into usable electricity. Made of highly purified silicon—which comes from common sand—the Bell solar battery can run a small radio set (above) or send voices over telephone wires. Telephone people are still testing it. But chances are good that, once they finish, the Bell solar battery will offer great opportunities for improvement and economies in telephone service. Research like this helps us bring better service to more people at the lowest possible cost. Pacific Telephone.
